

Independent media for tech culture and content creators

MEDIA KIT

SPACELAB COMMUNITY

Spacelab is where tech, creator culture, and music come together—an independent and free-thinking space that thrives on discovery.

COLLABORATION

We can collaborate with you in a variety of ways:

- Articles on the Spacelab website
- Social media engagement
- Advertising
- Affiliate opportunities
- Let us know how we can collaborate with you!

Spacelab follows FTC guidelines

ABOUT

Spacelab has an audience centered around **tech culture** and **content creators**. We cover everything from underground innovators to industry big names.

- We provide an authentic experience & have built trust with our audience
- We influence their decisions on things that they use and buy
- We understand the creative nature of how people express themselves
