# SPACELAB COMMUNITY

We're a thriving creative community of **music lovers**, **artists**, **musicians**, **DJs**, **photographers** and a **creative culture** of people that are also influencers themselves.

# COLLABORATION

Ways we can collaborate with you:

- Articles/blog posts on the Spacelab website
- Social Media shoutouts & posts
- Sponsored content on our website
- Advertising
- Let us know how we can collaborate with you!

\* Spacelab follows all FTC guidelines

# ABOUT

Spacelab has an audience centered around **music, art** and a **social lifestyle**. They like to see live music from indie bands and DJs, go out for food & coffee, and highlight their social schedule with major events like festivals.

The Spacelab community is interested in **music, technology, style & fashion** — and seamlessly mix all of these into their daily lives.

- We provide an authentic experience for the music & festival community & have built trust with the people that go to them
- We influence their decisions on things that they use in the experience of their daily lives
- We understand the creative nature of how people express themselves at these events
